

Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Monday 15 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:

A bright start on Monday, cloudier with rain later.

Today:

Few showers across the Northern Isles, otherwise dry with some good spells of sunshine. However cloud increases from the west in the afternoon bringing patchy light rain into the west by evening.

Tonight:

Cloudy with rain spreading east, drier for a time before further rain later. Clearer in the west by dawn. Strong winds in the west in the morning.

Tuesday:

Overnight rain clears east early Tuesday, and becoming bright and sunny for most by afternoon, very windy around north and east coasts during the morning.

Outlook for Wednesday to Friday:

Dry and bright Wednesday with lighter winds. Thursday and Friday are likely to be cloudy with a few drizzly outbreaks in the east.
